Education & Career Fairs

International Conference Services

ECF Celebrating 20 Years

In June 2009, ICS acquired Education and Career Fairs (ECF) to expand its client base and promote Co-operative Education opportunities for high school students in British Columbia. ECF provides students in Abbotsford, Kelowna, Kamloops, Nanaimo and Vancouver with a platform to connect with businesses for work and study opportunities at home and abroad.

ICS believes great employees are the foundation for a successful company, and this begins with youth. ECF carries the noble cause of providing young B.C. residents with guidance for their future careers. ECF was a perfect addition to the company's offering.

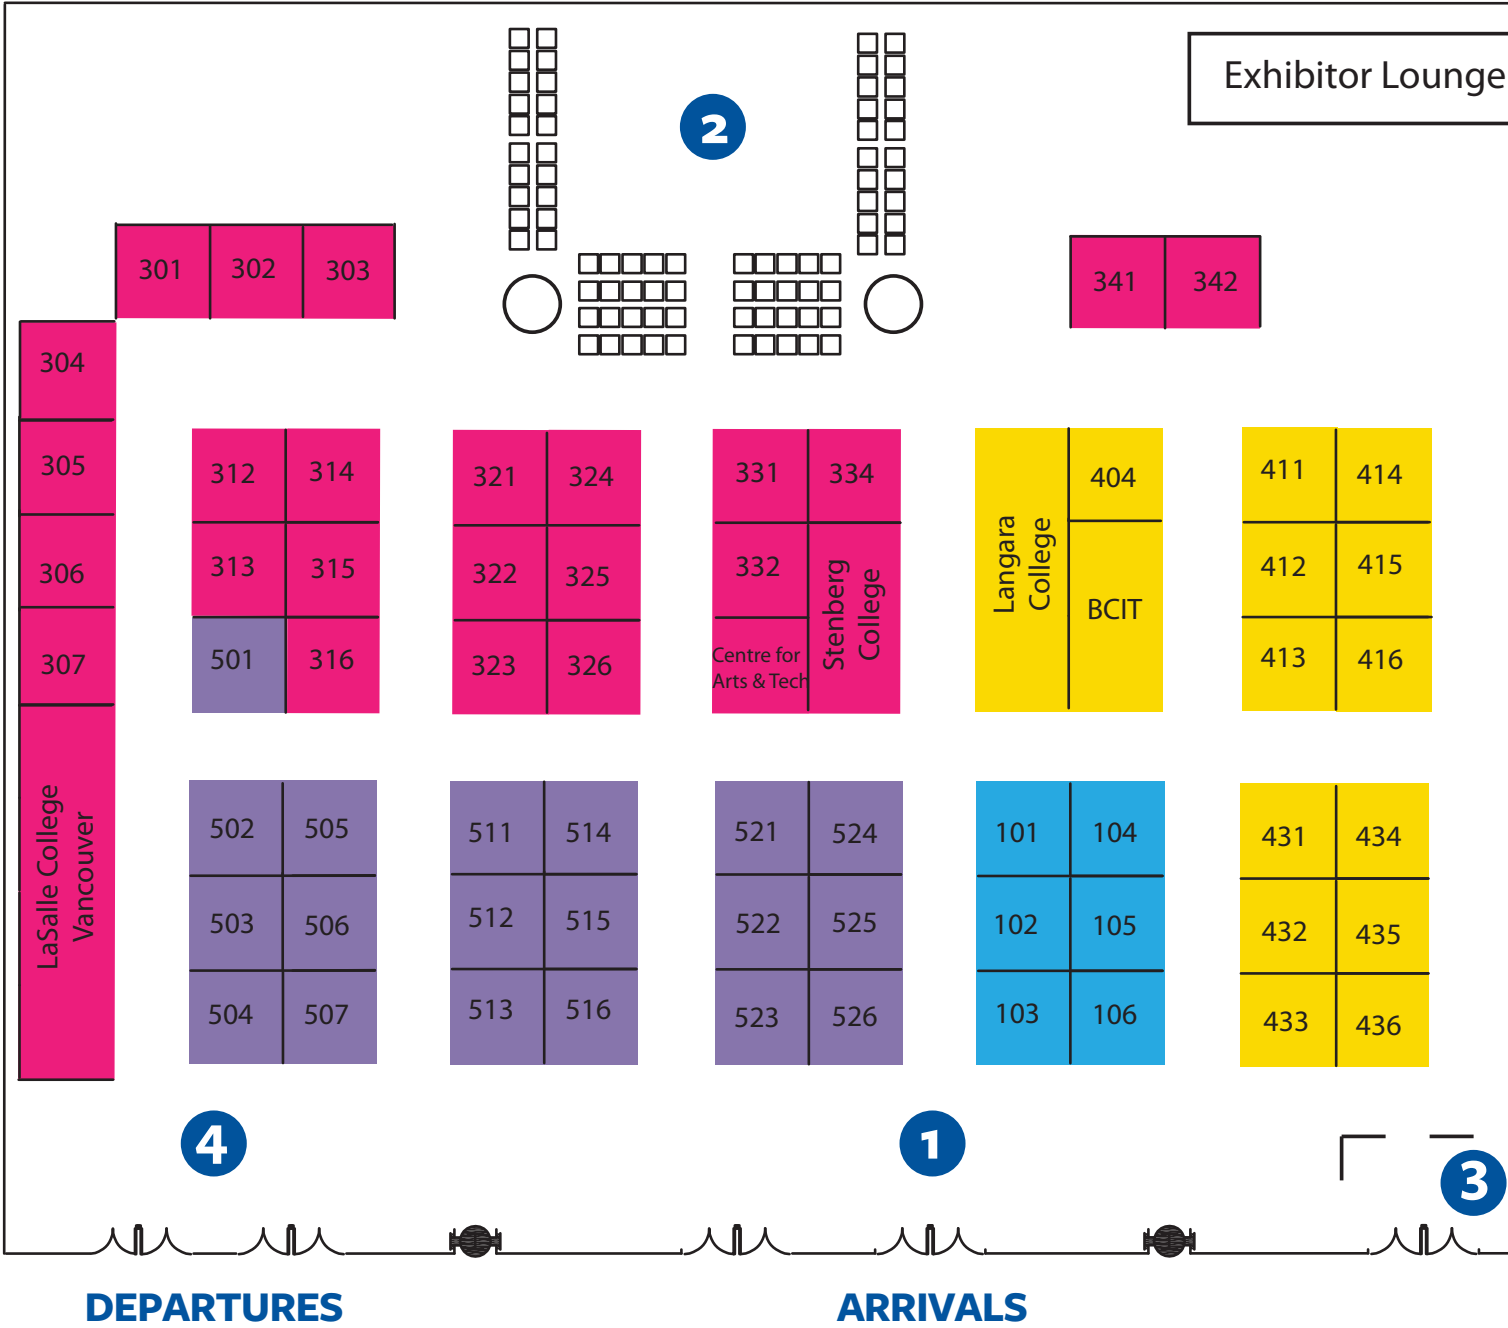

By 2015, ECF grew to attract over 11,000 attendees. ECF celebrates its 20th anniversary this year with a fresh look, and is proudly recognized by Business in Vancouver as one of the "Top 10 Tradeshows" in Metro Vancouver in 2015 and 2016 (by attendance).
